- CSI® Classic Garage Doors, in normal residential use, are covered by a 12 month warranty for all components and associated labour, conditional on proper care, as recommended in the door's handbook. Full details of the warranty are available from www.csiclassicgd.com.au. 12 month warranty only applies to doors purchased and installed in Australia or New Zealand. Warranty is only valid if warranty conditions are met.
- For areas within one kilometre of a corrosive environment eg. salt air or industrial fallout, special care and maintenance are generally required for metal products. Consult your CSI Doors® Dealer for advice.
- The company reserves the right to make changes or improvements to the products or accessories without notice and without incurring any obligation to make similar changes or improvements to goods previously ordered. Specifications are subject to change without notice.
- CSI® Classic is a registered trade mark within the DuluxGroup.
- While BlueScope Steel Limited is our preferred supplier, steel products from other sources may also be used.
